

Our newest council member Cris Eaton-Welsh grew up in Orlando but has lived in Kennesaw for 22 years.

Cris' civic involvement is long and distinguished. She has been a Kennesaw Business Association board member for several years.

Cris and her husband Steve have two daughters: Isabelle, age 5 and Shelby, age 3. She is an avid runner and enjoys spending time with her family.

She finds working to create a great city for her children to be personally rewarding, but regrets it takes time away from her family.

A self-professed "geek", Cris' favorite quote comes from Star Wars' Yoda: "Do or do not, there is no try."

Cris is the liaison to Community Development Department; Downtown Development Authority & Environmental Commission.
